TAFE

Position Description

commits the University to the bold ambition to be a global leader in dual-sector learning and research by 2028.

VU has innovated a new pedagogic and curriculum approach: the VU Block Model. This, along with the VU First Year College, has been one of the leading learning and teaching innovations in the Australian tertiary education sector over the past decade. Our embedded TAFE is a leading vocational education provider, renowned for its industry collaboration and its digital innovation in delivery. As a result, Doing Dual Differently is one of our five core drivers and points of uniqueness.

At Victoria University, our research is focused on the development and sustained application of ethical knowledge in all its forms, done in partnership and collaboration, to address the challenges of people, places and planet. In 2022, VU launched its Research and Impact Plan 2023-2028 and is one of the top ten sports science universities in the world with more recent, yet equally profound, achievements in health sciences; immunology; green engineering; the circular economy; and First Nations.

STRATEGIC DRIVERS

To achieve our vision, we have identified five Strategic Drivers, with a high-level objective, and the goals to get us to our 2028 target. Our vision is big and ambitious. It is also achievable.

1. Doing Dual Differently
2. Partnering with Principle
3. Maximising Research with Impact
4. Protecting Country
5. A Thriving Place to Study and Work

VISION

To be a global leader in dual-sector learning and research by 2028.

PURPOSE

Victoria University emboldens its people to design their future and has a deep commitment to Protecting Country.

ORGANISATIONAL UNIT

Victoria University (VU) TAFE is the vocational education division of Victoria University which offers job-ready qualifications, upskilling and reskilling for existing workers, pathways to further studies, workforce development and exposure to real-life work skills. TAFE offers nationally accredited qualifications from Certificate I – IV, Diploma and Advanced Diploma as well as Higher Education Diplomas and Foundation Programs, short courses and professional development for a diverse range of vocational fields. TAFE offers English Language programs, VCE and VET programs for secondary school students.

The TAFE brings VU's vocational education offer together in specialist delivery areas, which include the College of Trades, Technology and Hospitality, the College of Health, Early Childhood Education and Community Services and the Centre of VU Transitions.

In line with VU's Strategic Drivers, especially Doing Dual Differently and Partnering with Principles, TAFE works very closely with industry partners, few of whom are co-located on our campuses that assist in

TAFE

Position Description

enhancing student industry experience. The success of TAFE is based on the high quality of our delivery, core values and our people.

TAFE is a leader in digital innovation, with an award-winning blended learning model (LearnX Awards), expertly designed to equip learners with the technical skills and the thinking abilities needed to adapt and thrive in a modern work setting.

Note: This position sits in the Community Health department in the College of Health, Early Childhood Education and Community Services

The Community Health department is responsible for delivering training in the Aged Care, Disability Support, Health Admin, Allied Health and other Community Based Health roles within the TAFE. These roles will primarily focus on teaching in the Allied Health, Health Services Assistance and Health Admin courses.

MAJOR TASKS AND ACCOUNTABILITIES

In performing the duties of this position, the incumbent is required to work within the University policies, procedures and other legislative/regulatory requirements, and to work independently, as well as within a collaborative environment.

1. Facilitate learning and establish educational and assessment strategies to suit a range of student, client needs and industry contexts. This includes delivery on-line, blended and in diverse settings including within enterprises and the community.
2. To work in and with current and prospective industry partners and enterprises.
3. Ensure quality compliance of the requirements of ASQA, VRQA, HESG service agreements within your delivery and assessment.
4. Establish and maintain a positive learning environment and undertake assessment of student performance in accordance with the requirements of the relevant curriculum / training package.
5. Research, develop and customise learning materials suitable for a range of teaching and learning settings and diverse students and industry clients.
6. Design and develop training and assessment that is learner focussed and responds to learners as individuals.
7. Manage the learning process and facilitate individual learning by providing advice on strategies to overcome learning difficulties and/or work closely with specialist services to design appropriate outcomes for students.
8. To maintain a client focussed approach to the business and practice of education and training, including delivery, consultancy and partnership management.
9. Undertake a range of administrative, coordination and learning services activities directly related to the areas taught including recognition of prior learning, enrolments and submission of results.
10. Maintain accurate records of student progress and assessment in accordance with university requirements including the requirements of moderation and validation of assessment.

People and Culture use only

11. Manage a personal professional development program that continually improves educational expertise and maintains currency with industry/discipline both in practice and licensing requirements.
12. Liaise with and participate in networks with employers and industry clients to assist the College to develop and maintain delivery and assessment that is influenced by current practice.
13. Adhere to and cooperate with all OHS policies and procedures of the University.

TYPICAL/MAJOR CHALLENGES

- ◆ Achieving key deliverables of the position in a complex and volume environment, adhering to relevant VU policies and procedures.
- ◆ Exercising independent judgement, initiative and problem-solving to resolve issues and emerging requirements and provide high level advice within own area of responsibility, drawing on a depth of expertise developed through extensive relevant experience and application.
- ◆ Actively staying informed about the industry to maintain up-to-date knowledge to inform evaluation of current practice and delivery, its ongoing relevance and to achieve continuous improvement/excellence.
- ◆ Exercising planning and decision making with consideration of the integration or impact of a range of university policies and requirements.

LEVEL OF SUPERVISION

Operates under broad direction from the Senior Educator and Manager, Community Health and may be required to supervise some academic sessional staff.

PROFESSIONAL AND ORGANISATIONAL KNOWLEDGE

- ◆ Significant expertise and knowledge in area of responsibility, especially high-level communication, key stakeholders, TAFE processes and protocols, strategic functions within a professional environment with a multi-sector perspective and understanding of key issues in VET and Higher Education to inform development and implementation initiatives.
- ◆ Sound ability to plan, develop, implement and review outputs and projects ensuring their alignment to the TAFE at VU's Operational Plan and the University's strategic priorities with capacity to drive transformational change with 'built in quality' and continuous improvement strategies.
- ◆ Good understanding of the day-to-day operations and demonstrated capacity to take a lead role in working effectively and collaboratively with multi-disciplinary teams.
- ◆ Strong understanding of VET and the regulatory environment in which they operate and a broad understanding of University operations, governance and decision making processes, including quality assurance policies and procedures and other relevant legislative requirements at Federal and State levels.
